

INSTRUCTIONS FOR OFFER PRESENTATION

Date: _____

Address: _____.

My name is _____ and I want all written offers presented directly to my listing agent/broker.

I do not want to listen to any offers that are verbal.

I do not want to be presented offers that are not in writing or on documents that are not signed.

I want my agent/broker to review all offers that follow the above guidelines and help me decide which offer is best for me.

In the event that I have accepted an offer, I am directing my agent to hold those offers as backup offers in the case a previous offer falls through.
